Glenn Nocera, Editor, *Atlas Shrugs* County Republican Party

Nocera’s internet allies recently praised the assassination of our first Republican President, Abraham Lincoln, calling it a “patriotic” and “lawful act.”

Attacks on the Elderly

They regularly attack and demean senior citizens, or anyone over 30.

Last year they lampooned the members of our local Republican Club (average age 45) with images of cemeteries and senior centers.

Mother’s Day Cruelty

On Mother’s Day last year, they attacked a woman who is a Vice Chairman of the County Republican Party – publicly mocking her, by name, for never having had any children. *And they did this on Mother’s Day.*

They’ve written graphically about the sex lives and bowel movements of other party leaders, workers and

officials, material that is too crude to reprint here publicly.

Anti-Catholicism

They attack the Catholic Church, denigrate local Catholic charities, and spew hate about our military veterans and 9/11 survivors.

Even Children Get Targeted

One of their most vile attacks has been on our own Republican County Chairman, whose young son suffers from a rare and painful genetic bone disorder.

This disease is so rare that little research about it exists, so our County Chairman joined with other parents around the country to establish a foundation to seek a cure. *Atlas attacked him for it.*

But the Atlas website praises Nocera, publicize his events, meetings, fundraisers, and fawns over every word he utters.

Whether or not Nocera is the person behind this hateful website, it is clear that whoever is behind Atlas Shrugs has played a pivotal – *and personal* – role in promoting Nocera’s political career.

Worst of all, Glenn Nocera refuses to condemn Atlas Shrugs or any of its vile attacks. Why should he? They are his friends, allies, volunteers. *Many believe he won’t do so because they think he is behind the website himself.*

Regardless of whether he runs this website or merely looks the other way, voters like you have an opportunity to express how you feel about Nocera’s relationship with these despicable cowards.
